

St. Pius Elementary School

Bringing the Presence of Christ to Others

St. Pius Elementary School Third Grade Teacher, With a Love of Mathematics, Needed for 2022-2023 School Year

St. Pius Elementary School is now accepting applications for an energetic third grade teacher, with a passion for mathematics who thrives on active, hands-on, student-centered instruction. Applicants must be passionate about education and eager to journey with each of his/her students academically, socially-emotionally, and spiritually. Persons applying for this position must be certified by the LA Department of Education and possess 1st - 5th grade or 1st - 8th grade credentials.

Applicants must:

- Be able to provide a loving, nurturing environment for every child
- Be passionate about education
- Have a growth mindset, collaborative spirit, and the willingness to belong, and contribute to a learning, faith-centered community
- Be certified by the LA Department of Education, or if certified in states outside of Louisiana must meet the criteria of eligibility for Louisiana's Out-Of-State (OS) certificate
- Be experienced in the Google Suite of technology platforms for communication, collaboration and teaching.

St. Pius Elementary School teachers commit themselves to providing an education that goes beyond what students know, understand and are able to do as they prepare their students to thrive in today's world. If interested in applying for a position for the 2022-2023 school year, download the writable pdf, complete and submit the [St. Pius Elementary School Certified Personnel Job Application](#) and required accompanying documentation to Katie Falgout, Assistant to the Principal, at katie_falgout@stpiuselementary.org

St. Pius Elementary School does not discriminate on the basis of race, gender, national or ethnic origin in its admissions policies, employment practices or educational activities.
